

COLLECT YOUR CARDBOARD AND START BUILDING NOW!

#### APPROVED MATERIALS FOR BOAT AND PADDLE CONSTRUCTION

- Cardboard
- Tape. Duck tape is good. You can cover it with Masking tape in order to paint.
- Paint. Preferably left over or recycled. It is recommended that you paint your boat.
- Glue for joining
- Stick for paddle handle
- String and fabric for sail or flag if used

#### BOAT MATERIALS THAT ARE NOT PERMITTED

- Plastic of any sort
- Wood, except for the paddle stick
- Styrofoam
- Balloons or other inflatables

#### RULES FOR PARTICIPATION

- Teams to consist of 2 or more people
- Minimum of 2 people must be in boat. There is no maximum.
- The entire crew must stay in the boat from start to finish
- For safety reasons boats must not be enclosed
- Safety floatation devices must be worn. We will have some available at the launch.

#### PRIZE CATEGORIES

- Fastest boat
- Most creative design
- Best costume
- People's Choice
- Titanic Award
